

Day 14 Activity Two
Tales of the Todd
Todd River Issues – Debate Topics

1. Development of cafes and other recreation areas along the banks of the Todd should be encouraged
2. Tour operators should be encouraged to run more treks and trails along the Todd River
3. Quad-bike riding should be allowed in the Todd
4. An amusement park should be built on the banks of the Todd
5. The Todd River should be dammed to create a recreation lake
6. Flower gardens should be planted along the Todd to improve its attractiveness
7. People should be allowed to camp in the Todd
8. There should be more car parks developed along the banks of the Todd
9. The Todd River should be made a more significant feature of the town similar to rivers in other towns
10. Bigger embankments should be built along the Todd to stop flooding
11. Sand mining from the Todd should be allowed
12. People living along the Todd should be allowed to sink wells to access water
13. Grazing animals should be kept along the Todd to keep the grass down
1. Building developments that are too close to the Todd should be removed
2. More time and money should be spent on removing weeds from the Todd

More activities such as the Henley on Todd should be organised each year
